Time Table Committee – 2023-2024

Aim : Objective, Vision & Mission, Academic Calendar

Introduction :

The academic calendar is essential to upholding discipline in college. It maintains the appropriate balance between extracurricular and academic pursuits. Teaching faculty, students, and administrative staff all receive appropriate working guidelines when the academic calendar is properly implemented.

Aims Objective :

- 1) To create timetables for science, arts, and commerce.
- 2) To supply the classroom with a hall
- 3) To create the master schedule
- 4) To provide all HODs and teaching staff instructions to create their own schedules and obtain the principal's and vice-principal's approval.
- 5) To create a practical schedule for the science faculties.
- 6) To set aside a hall for environmental studies.

Vision and Mission :

One of the college's most significant committees is the Timetable committee. Its responsibility is to oversee and uphold discipline in college-related academic concerns.

- 1) To continue holding normal college classes.
- 2) To manage the academic calendar at the college.
- 3) To keep administration, instructors, and students in sync.
- 4) To coordinate with the principal and teaching staff to finalize the academic timetable.
